## ABOUT

### The College :

Parvathani Brahmayya Siddhartha College of Arts & Science is the heartbeat of Siddhartha Academy of General & Technical Education. Many other institutes of Siddhartha Academy took their birth on this campus. The Academy starts its long march in the arena of education with this college in 1975. College is enjoying full autonomy since 1988. Ours is the first college in the jurisdiction of Acharya Nagarajana University to get accreditation at 'A' level by the National Assessment and Accreditation Council, Bangalore in 2004. University Grants Commission has conferred the status on our college "College with Potential for Excellence" in 2010. The jurisdiction of our college is shifted to Krishna University, Machilipatnam in 2010.

## THE SACS:

Student Association of Computer Science (SACS) of P.B.Siddhartha College of Arts and Science was launched on 31st January 2006. Since then, it has been emphasizing on the motto- "Grow Beyond The Class Room" & hence it has been conducting annual techno-cultural fest BLITZKRIEG since 2006 successfully.

## Theme Of The BLITZKRIEG :

BLITZKRIEG means "The Lightning War". This brings out students potential hidden deep inside and to fight with the zeal of getting the inner power flourish. "Speed and still more speed, and always speed was the secret... and that demanded audacity, more audacity and always audacity". Where the Speed of Audacity works unconsciously.
