

STUDENT FEEDBACK ON CURRICULUM 2021-22

Suggestions	Action taken
Suggestion by the students, should introduce more application oriented Programs in UG for the benefit of students.	B.Sc. Retail Management course started from the session 2022-2023.
There is less classes taken and no time for studying and understanding the syllabus, so please allocate some time for internals and sem and classes and exams.	Due to Covid-19 effect, academic year is disturbed. Numbers of working days are reduced. To avoid the inconvenience of students in terms of coping with the syllabus time table is designed intact and, classes for every subject are planned perfectly. In spite of this, if a student faces any problem regarding syllabus completion necessary steps will be definitely taken on our behalf.
For current environment of students are most like to get job in the field of computers so please provide the computer skills papers	In this regard we circulated to all the HODs for providing application papers based on computers.
More practical training sessions are desired by the students	Formal instructions were circulated to all the HODs through competent authority for addressing the issues, teachers paid more attention to practical sessions and made their teaching more experiential..
Most of the students suggest hands on exposure to enhance student's practical skills in their field of expertise.	The college management has decided to give training on practical skill to students for their respected programmes.
Changing syllabus can provide the good knowledge to students	The management circulated to all HODs to Upgrade the syllabus for current environment.
Strengthening of extracurricular activities	Extra-curricular activities are planned from each department accordingly. Maximum effort is put from the side of staff to mobilize students towards these extra-curricular activities.
Proposal for one boys Hostel in the college	No such provision is available.
More Number of Eminent persons from various fields should be invited to address the students and staff.	The Principal of the college asked the HOD's , NCC & NSS wings of the college to organize such events by inviting the distinguished social workers, resource persons etc., especially from the localities.
More industrial visits to be organized for exposing the students to work place realities	Industrial visits are initiated from all the departments to expose students to different places and nature of jobs.
