NSS Unit – I Activities Nov – 22:

Date: 5th Nov 22

Event name: Blood donation camp

20 volunteers from **NSS Unit-I** participated in blood donation camp which was held in our college, conducted by Pinnamaneni Siddhartha Institute of Medical Sciences on 5th Nov 22 i.e Saturday timings are 12pm to 6pm, some of our students come forward and donated the blood.

Objective: The primary objective of blood donation is to save lives. Donated blood is used in various medical procedures, surgeries, and treatments for patients suffering from illnesses, injuries, or undergoing surgeries where blood transfusions are necessary.

Outcome: Blood donation contributes to emergency preparedness by ensuring an adequate supply of blood products is available to respond to sudden health crises, natural disasters, accidents, or mass casualty events. Having a sufficient blood supply allows healthcare providers to promptly address the needs of patients requiring emergency transfusions, reducing the risk of morbidity and mortality

Student feedback:

RaviKiran: It involves evaluating the thoroughness of the examination, clarity in explaining results, and the doctors communication. Additionally, feedback may address the overall experience, including staff interactions, waiting times, and the facility's cleanliness.

Public feedback: Public feedback on a blood donation often encompasses aspects like accessibility, waiting times, the friendliness and professionalism of the staff, and the comprehensiveness of the examination. Additionally, individuals may share their experience with the overall atmosphere and cleanliness of the medical facility.

Event Name: Stop idling your engine at traffic signals to control the pollution (**Eco Friendly**).

In last month we started this programme and it is a continuous programme for every month.

Objective:The objective of traffic management, including initiatives like reducing idling, is to optimize the flow of vehicles and pedestrians while enhancing safety, efficiency, and environmental sustainability. By minimizing idling times at intersections and congested areas, traffic management aims to decrease fuel consumption, air pollution, and greenhouse gas emissions, thus improving air quality and public health.

Outcome:Additionally, reducing idling can alleviate traffic congestion, enhance travel times, and promote smoother traffic flow. Through effective traffic management strategies, cities strive to create safer, more sustainable transportation systems that prioritize the well-being of both people and the environment.

Feedback:

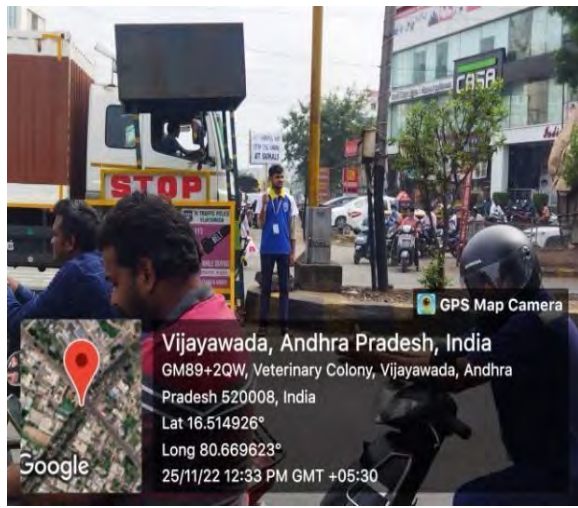

Student feedback:

RamaKrishna:It's a pleasure moment for interacting with people for asking them to stop the engine at the red signal and we taken a step for control the pollution caused at signal lights so our unit help the people by getting some awareness on the population by playcards display.

Public feedback:

By these kind of activities for students and people also get aware about the pollution and cause the global warming.

Event Name: Anti Drug and Child awareness program organized by Child line organization

More than 100 volunteers of **NSS Unit-I** participated in the Anti-Drug and Child awareness program organized by Child line at our college Seminar hall at 3pm.

Objective:The objective of the Anti-Drug and Child Awareness program organized by Childline organization is to educate children and adolescents about the dangers of drug abuse and empower them with knowledge and skills to make healthy choices.The primary goal is to prevent children and adolescents from experimenting with or becoming involved in drug abuse by providing them with comprehensive information about the risks and consequences associated with substance abuse.

Outcome:Empowered Youth: Children and adolescents feel empowered to resist peer pressure and make informed decisions regarding drug use, leading to a reduction in experimentation and substance abuse among youth. Participants develop resilience and learn effective coping strategies to deal with stress, peer pressure, and other challenges without resorting to drugs or harmful behaviors.

Feedback:

Student Feedback:

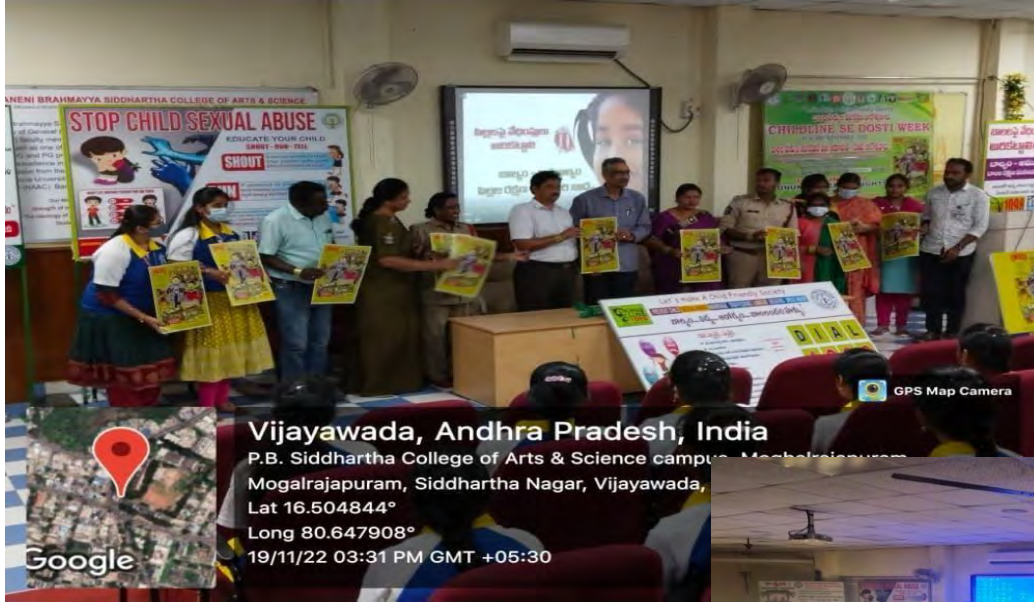

VPavankalayn:Participants report positive changes in their behaviors and attitudes towards drugs and substance abuse. They demonstrate a commitment to maintaining a drug-free lifestyle and adopting healthier coping strategies, indicating that the program influenced their behavior positively.

Public Feedback:Participants demonstrate a heightened awareness of the dangers of drug abuse and the importance of making healthy choices. They show an understanding of the risks and consequences associated with drug use, indicating that the program effectively communicated key messages.

Event Name: Orphanage at Deepa Nivas

50 volunteers from **NSS Unit-I** went to Deepa Nivas Orphanage and distributed some stationary, rice bags and some fruits and conducted some games to children and interacted with them, timings are from 10am to 12pm.

Objective:The objectives of an orphanage visit can vary depending on the goals of the visit and the needs of both the visitors and the residents of the orphanage. One objective of visiting an orphanage is to provide emotional support and companionship to the children living there. Spending time with the children, playing games, and engaging in conversations can help uplift their spirits and make them feel valued and loved.

Outcome:Visiting an orphanage can serve as an opportunity to raise awareness about the challenges faced by orphaned and abandoned children.Through meaningful interactions, visitors and children can learn from each other, broaden their perspectives, and foster mutual understanding and respect. Visiting an orphanage can inspire individuals to become more involved in volunteer work and philanthropy. Experiencing firsthand the impact of their time and resources on the lives of orphaned children may motivate visitors to continue supporting charitable causes and making a difference in their communities.

Feedback:

Student Feedback:

MahaLakshmi:This is a memorable experience for visiting the Orphanage and interacting with children and conducting some activities and distributing the stationary,food and other things for the children. I was happy to interact with children.

NSS Unit – I Activities Dec – 22:

Date: 4thDec 22

Event Name: Mission –Bahuguna (Tree Plantation)

NSS unit I started another new programme called **Mission – Bahuguna**, it is a tree plantation programme, and in this all NSS volunteers must plant at least one tree near their area. The main theme is **Save Nature, Save Earth** and to make the city greenery and to protect the city from heavy temperature.

Objective:The objectives of plantation initiatives are diverse and can encompass various environmental, social, and economic goals.Plantation aims to contribute to environmental conservation efforts by increasing green cover, enhancing biodiversity, and mitigating the impacts of deforestation and habitat loss. Trees play a crucial role in carbon sequestration, soil conservation, and maintaining ecological balance.

Outcome:Plantation projects often focus on restoring degraded ecosystems, such as deforested areas, degraded watersheds, or eroded landscapes. By replanting native tree species and restoring natural habitats, plantation initiatives help revitalize ecosystems and promote ecological resilience.

Feedback:

Student feedback:

Pavani:It was a good experience in participating in the plantation and making the green environment which helping in the refuses the environment

Public feedback:

By these kinds of activities students and people also get aware about pollution,global warming and plantation.

We started this programme and it is a continuous programme for every month.

Objective: The objective of traffic management, including initiatives like reducing idling, is to optimize the flow of vehicles and pedestrians while enhancing safety, efficiency, and environmental sustainability. By minimizing idling times at intersections and congested areas, traffic management aims to decrease fuel consumption, air pollution, and greenhouse gas emissions, thus improving air quality and public health.

Outcome: Additionally, reducing idling can alleviate traffic congestion, enhance travel times, and promote smoother traffic flow. Through effective traffic management strategies, cities strive to create safer, more sustainable transportation systems that prioritize the well-being of both people and the environment.

Feedback:

Student feedback:

Ajay: It's a pleasure moment for interacting with people for asking them to stop the engine at the red signal and we taken a step for control the pollution caused at signal lights so our unit help the people by getting some awareness on the population by playcards display.

Event name: Street Cow Feeding at Railway grounds

NSS Unit-I has taken a step forward with a great move i.e. feeding the cows in the streets of Satyanarayana Puram, as those cows could not get the food daily.

Objective: The theme of this camp is feeding the cows in the streets at different places to provide food and water for stray or abandoned cows.

Outcome: This cow feeding camp can help to reduce the number of cows that are abandoned or stray by providing them with food and water. It can help raise awareness of the plight of cows in need.

Feedback:

Student feedback:

Mohan: I really enjoyed the cow feeding camp. It was a great opportunity to know about the cows and their starvation and help them out. I also enjoyed the sense of community that we developed as a group, we all worked together to feed the cows & to keep the camp clean. It was really a rewarding experience.

Public feedback:

Cow feeding camp, this helps to promote compassion for animals .It is a great way to help out the cows in need.

Event Name: Helping the people at Mother Teresa Asramam, Nunna

NSS unit I started another new programme i.e helping the mentally disabled people by making the medical covers and some crafts learnt by our NSS Unit-I volunteers at Mother Teresa Asramam, Nunna from morning 9am to 10:30 am for a month.

Objective: The objectives of visiting a Mother Teresa orphanage can encompass various aims, focusing on providing support, companionship, and assistance to the residents and staffs. One objective is to offer emotional support and companionship to the children and caregivers at the orphanage.

Outcome: Spending time with the residents, engaging in conversations, and showing care and empathy can uplift their spirits and make them feel valued and loved. These donations can help improve the living conditions of the children and support the operations of the orphanage.

Feed Back:

Student feedback:

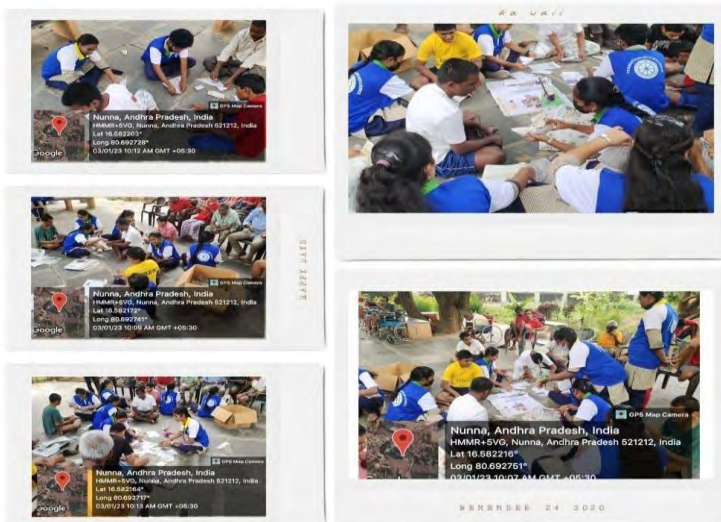

Chandrika: The visit can serve as a platform to raise awareness about the challenges faced by orphaned and abandoned children and the importance of supporting orphanages and charitable organizations. By sharing their experiences and observations, we can inspire others to take action and make a difference in the lives of vulnerable people.

Public feedback: The visit to a Mother Teresa orphanage can be an opportunity for personal growth and reflection. Engaging with old people who have faced adversity and strength can inspire visitors to appreciate their own blessings and cultivate empathy and compassion.

NSS Unit – I Activities Feb – 23:

Date: 2nd ,3rd ,8th 10th ,14th Feb 23

Event Name: Stop idling your engine at traffic signals to control the pollution (**Eco Friendly**).

We started this programme and it is a continuous programme for every month.

Objective:The objective of traffic management, including initiatives like reducing idling, is to optimize the flow of vehicles and pedestrians while enhancing safety, efficiency, and environmental sustainability. By minimizing idling times at intersections and congested areas, traffic management aims to decrease fuel consumption, air pollution, and greenhouse gas emissions, thus improving air quality and public health.

Outcome:Additionally, reducing idling can alleviate traffic congestion, enhance travel times, and promote smoother traffic flow. Through effective traffic management strategies, cities strive to create safer, more sustainable transportation systems that prioritize the well-being of both people and the environment.

Feedback:

Student feedback:

Chaitanya:It's a pleasure moment for interacting with people for asking them to stop the engine at the red signal and we taken a step for control the pollution caused at signal lights so our unit help the people by getting some awareness on the population by playcards display.

Public feedback:

By these kinds of activities students and people also get aware about the pollution and global warming.

Event name: Plastic waste removal at Gunadala

16 volunteers from different sections of **NSS Unit-I** participated in Plastic waste removal at Gunadala our volunteers removed plastic waste at Gunadala Marry Mata temple on 2nd February 23

Objective:The objectives for plastic waste removal initiatives are crucial for addressing environmental pollution and promoting sustainable waste management practices.The primary objective of plastic waste removal is to protect the environment by reducing the amount of plastic pollution in ecosystems such as oceans, rivers, forests, and urban areas

Outcome:Plastic waste removal initiatives aim to promote a circular economy approach by recovering, recycling, and repurposing plastic materials. By collecting and processing plastic waste, these initiatives contribute to closing the loop on plastic production and consumption, reducing the need for virgin plastics and conserving natural resources

Feedback:

Student feedback:

Lalith:Plastic waste removal initiatives engage communities in environmental stewardship and waste management practices. By raising awareness about the impacts of plastic pollution and empowering individuals to take action, these initiatives foster a sense of environmental responsibility and promote sustainable behavior change.

Public feedback:

By these kinds of activities students and people also get aware about the pollution and global warming.

Event Name: Helping the people at Mother Teresa Asramam, Nunna

NSS unit I started another new programme i.e helping the mentally disable people by making the medical covers and some crafts learnt by our NSS Unit-I volunteers at Mother Teresa Asramam, Nunna from morning 9am to 10:30 am for a month.

Objective:The objectives of visiting a Mother Teresa orphanage can encompass various aims, focusing on providing support, companionship, and assistance to the residents and staffs. One objective is to offer emotional support and companionship to the children and caregivers at the orphanage.

Outcome:Spending time with the residents, engaging in conversations, and showing care and empathy can uplift their spirits and make them feel valued and loved. These donations can help improve the living conditions of the children and support the operations of the orphanage.

Feedback:

Student feedback:

Suchitra:The visit can serve as a platform to raise awareness about the challenges faced by orphaned and abandoned children and the importance of supporting orphanages and charitable organizations. By sharing their experiences and observations,we can inspire others to take action and make a difference in the lives of vulnerable people.

Public feedback:The visit to a Mother Teresa orphanage can be an opportunity for personal growth and reflection. Engaging with old people who have faced adversity and strength can inspire visitors to appreciate their own blessings and cultivate empathy and compassion.

Date: 2nd July22

Event name: Street Cow Feeding at Railway grounds

NSS Unit-I has taken a step forward with a great move i.e. feeding the cows in the streets of Satyanarayana Puram, as those cows could not get the food daily.

Objective: The theme of this camp is feeding the cows in the streets at different places to provide food and water for stray or abandoned cows.

Outcome: This cow feeding camp can help to reduce the number of cows that are abandoned or stray by providing them with food and water. It can help about raising awareness of the plight of cows in need.

Feedback:

Student feedback:

Bhavani: I really enjoyed the cow feeding camp. It was a great opportunity to know about the cows and their starvation and help them out. I also enjoyed the sense of community that we developed as a group ,we all worked together to feed the cows & to keep the camp clean .It was really a rewarding experience.

Public feedback:

Cow feeding camp ,this helps to promote compassion for animals .It is a great way to help out the cows in need.

Event name: Street Cow Feeding at Railway grounds

NSS Unit-I has taken a step forward with a great move i.e. feeding the cows in the streets of Satyanarayana Puram, as those cows could not get the food daily.

Objective: The theme of this camp is feeding the cows in the streets at different places to provide food and water for stray or abandoned cows.

Outcome: This cow feeding camp can help to reduce the number of cows that are abandoned or stray by providing them with food and water. It can help about raising awareness of the plight of cows in need.

Feedback:

Student feedback:

Sai kumar: I really enjoyed the cow feeding camp. It was a great opportunity to know about the cows and their starvation and help them out. I also enjoyed the sense of community that we developed as a group ,we all worked together to feed the cows & to keep the camp clean .It was really a rewarding experience.

Public feedback:

Cow feeding camp ,this helps to promote compassion for animals .It is a great way to help out the cows in need.

Event name: Independence Day

On eve of 77th Independence Day in our college Maj.Gen.B V Rao PVSM VSM hosted the flag and shared his experiences and thoughts. Our 180 volunteers from NSS Unit-I attended the event

Objective:

The objective of Independence Day varies from country to country, but in general, it is a day to celebrate and commemorate a nation's freedom and independence from colonial rule or foreign domination. It often includes activities like flag hoisting, parades, speeches, and cultural events to honor the nation's history and the struggle for independence. It's a day to reflect on the importance of freedom and the sacrifices made by those who fought for it.

Outcome:

Independence Day typically involves patriotic celebrations, including parades, flag-raising ceremonies, fireworks, and speeches, to commemorate a nation's independence from colonial rule. The specific outcome or events of Independence Day can vary from country to country, but it often serves as a day of national unity and pride. If you're looking for information on a specific country's Independence Day, please specify which country, and I can provide more details.

Feedback:

Student feedback:

S. Yaswanth :The independence day celebrations are done in a great way . It was reminded the sacrifices of freedom fighters to get independence.

Number of participants: 180

Event name: World Clean up day

NSS Unit-I has taken a step to raise awareness about the importance of keeping our planet clean and to mobilize volunteers worldwide to participate in local cleanup activities.

Objective: The objective of World Cleanup Day is to raise awareness about the importance of a clean environment and to encourage people to take action by participating in clean-up activities to remove litter and waste from their communities, parks, beaches and other public spaces. It's a global initiative aimed at promoting environmental sustainability and a cleaner, healthier planet.

Outcome: The event helps raise awareness about the global issue of waste pollution and its impact on the environment, fostering a sense of responsibility among individuals and communities. World Cleanup Day promotes community involvement and teamwork, as people come together to make a positive impact on their surroundings.

Feedback:

Student feedback:

Visalakshi: We teamed up with Decathlon and started cleaning the railway grounds to make the hygiene environment.

Public feedback: By this event they had got some awareness of clean hygiene environment, by keeping this they keep their place neat and hygiene.

Event name: Cleaning at Varadhi by VMC

On The Eve of World Cleaning Day the Vijayawada Municipal Corporation conducted Indian Swachhata League Season-2. In that our volunteers helped the VMC worker and cleaned plastic at the varadhi bus stop at 5'o clock, the main moto of this event was To Fight plastic pollution, Save Environment.

Objective: National Cleaning Day aims to promote cleanliness, raise awareness about the importance of maintaining a clean environment, and encourage individuals and communities to participate in cleaning activities. Educate people about the impact of litter, pollution, and unclean surroundings on the environment. Mobilize communities to come together and clean public spaces, neighborhoods, and natural areas.

Outcome: Trash and litter removal: Volunteers from around the world participate in cleanup activities, collecting tons of garbage and litter from streets, parks, beaches, and other public areas. The awareness generated by World Cleanup Day can lead to increased support for environmental initiatives and policy changes aimed at reducing litter and improving waste management. While World Cleanup Day itself is a one-day event, its impact can extend beyond that as individuals and organizations are inspired to continue working towards cleaner and more sustainable environments throughout the year.

Feedback:

Student feedback:

Sk Ameer: It was a great experience to helping the VMC workers and cleaned the plastic waste from the varadhi bus stop and bring the awareness about hygiene environment and disadvantages of the plastic usage.

Event name: World heart day Marathon

On the eve of World heart day the Vcs Heart marthon 2023 was conducted our NSS unit -I volunteers participated in the VCS heart marthon 2023 at 6'o clock.

Objective: Raise awareness about cardiovascular diseases (CVDs) and the importance of maintaining a healthy heart. Encourage people to engage in regular physical activity, such as running, to improve heart health. Promote a balanced diet, tobacco cessation, and stress management as key factors in reducing the risk of CVDs. Bring communities together to participate in a shared physical activity that promotes heart health and unity.

Outcome:

Advocacy: The day may also serve as a platform for advocating policies and healthcare initiatives related to heart health. **Fundraising** Some organizations use World Heart Day as an opportunity to raise funds for cardiovascular research and patient support. **Long-Term Impact:** Over time, the cumulative effect of World Heart Day can lead to a reduction in CVD-related deaths, improved overall heart health, and healthier communities. Ultimately, the goal of World Heart Day is to reduce the global burden of cardiovascular diseases by promoting heart-healthy lifestyles and increasing awareness of the importance of heart health. Its success is measured by the positive impact it has on individuals and communities in terms of better heart-related behaviors and outcomes.

Feedback:

Student feedback:

Event name: Street Cow Feeding at Railway grounds

NSS Unit-I has taken a step forward with a great move i.e. feeding the cows in the streets of Satyanarayana Puram, as those cows could not get the food daily.

Objective: The theme of this camp is feeding the cows in the streets at different places to provide food and water for stray or abandoned cows.

Outcome: This cow feeding camp can help to reduce the number of cows that are abandoned or stray by providing them with food and water. It can help about raising awareness of the plight of cows in need.

Feedback:

Student feedback:

Sai bhavani: I really enjoyed the cow feeding camp. It was a great opportunity to know about the cows and their starvation and help them out. I also enjoyed the sense of community that we developed as a group, we all worked together to feed the cows & to keep the camp clean. It was really a rewarding experience.

Public feedback:

Cow feeding camp, this helps to promote compassion for animals. It is a great way to help out the cows in need.

SPOORTHY 2K19

NSS Units I & II of PB Siddhartha College of Arts and Science Vijayawada organized Spoorthy 2K19 on 28th November 2019 with a tag word INSPIRATION TO BE INSPIRED. It is an excellent program designed to help our students to be inspired by the inspiration from unsung heroes. This year our students planned to fill potholes for the rest of academic year. Sri. Gangadhara Tilak Katnam obliged to be chief guest and resource person. This program is designed in a way morning session is indoor with a motivational speech and afternoon session is hands on experience. Sri. Tilak gave a wonderful talk on taking up service as panacea for self satisfaction. He elaborated his talk on the importance of filling potholes in avoiding accidents, without waiting for Government to react. Afternoon he took our NSS students to fill the potholes with material on a demonstration mode. Our boys gained good experience in the desired job. As expected our boys continue the job though out this academic year. It is our part of our curriculum to serve the society, as our much cherished course of holistic education.
