Date:14-06-2018

To,
The Secretary,
Siddhartha Academy of General & Technical Education,
Vijayawada-520010.

Sir,

Sub: P.B.Siddhartha College of Arts & Science-Admissions-Fee exemption and renewal for Meritorious Sportsmen for the year 2018-2019- Request-Reg.

'Sports' not only teaches the students to maintain Physical Stamina, but also the habit of obedience, discipline, the determination to win, willpower etc. therefore Sports Education along with the Academics spins the all-round development of the student. With a view to fulfil this great objective, our College Management has been providing good sports infrastructure, play facilities and encouraging meritorious sportsmen with sports scholarships every year.

Sports and Sportsmen bring name and fame to the institution. The Department of Physical Education has been striving hard to keep the image of the sports in our College since inception. Three years back our Department has introduced the Diploma course in Yoga Education (DYEd) as a regular course with prior permission from the Management. This course is running very successfully. Ours is the only College, started this Diploma in Yoga course in the entire Krishna University area. We have very good history in Sports organization and achievements. So far a good number of Sportsmen represented at National and International level from our College and brought laurels to our Institution. To continue this image and popularity, we wish to place before you a proposal to admit the meritorious Sportsmen, who are excelling at National and International level, with total College fee exemption, providing sports kit, accommodation and Boarding facility at free of cost, if possible. Our neighbouring Colleges have been attracting the meritorious sportsmen with all kinds of fee exemption and providing free boarding and lodging facilities. Now the admissions for Degree course for the academic year 2018-2019 are in progress, hence your concurrence to the said proposal is solicited at the earliest.

Achievements: Because of the unstinted support & encouragement from the Management, last year 24 students represented Krishna University in South & All India Inter -University tournaments, 7 students represented Nationals and Two students represented Internationals in various Games & Sports. Our College teams secured Winners in 4 games, Runners in 3 games and third place in two games in Krishna University Inter Collegiate tournaments during the year 2017-18. In addition to this 12 medals secured in Weightlifting, Aquatics and Athletic events.

To,
The Secretary,
Siddhartha Academy of General & Technical Education,
Vijayawada-520010.

Sir,

**Sub: P.B.Siddhartha College of Arts & Science-Admissions-Fee exemption
and renewal for Meritorious Sportsmen for the year 2020-2021-
Request-Reg.**

'Sports' not only teaches the students to maintain Physical Stamina, but also the habit of obedience, discipline, the determination to win, willpower etc. Therefore Sports Education along with the Academics spins the all-round development of the student. With a view to fulfil this great objective, our College Management has been providing good sports infrastructure, play facilities and encouraging meritorious sportsmen with sports scholarships every year.

Sports and Sportsmen bring name and fame to the institution. The Department of Physical Education has been striving hard to keep the image of the sports in our College since inception. Five years back our Department has introduced the Diploma course in Yoga Education (DYEd) as a regular course with prior permission from the Management. This course is running very successfully. Ours is the only College, started this Diploma in Yoga course in the entire Krishna University area. We have very good history in Sports organization and achievements. So far a good number of Sportsmen represented at National and International level from our College and brought laurels to our Institution. To continue this image and popularity, we wish to place before you a proposal to admit the meritorious Sportsmen, who are excelling at National and International level, with total College fee exemption, providing sports kit, accommodation and Boarding facility at free of cost, if possible. Our neighbouring Colleges have been attracting the meritorious sportsmen with all kinds of fee exemption and providing free boarding and lodging facilities. Now the admissions for Degree course for the academic year 2020-2021 are in progress, hence your concurrence to the said proposal is solicited at the earliest.

Achievements: Because of the unstinted support & encouragement from the Management, last year 54 students represented Krishna University in South & All India Inter -University tournaments, 9 students represented Nationals and secured medals in various Games & Sports. 42 students participated and secured Medals at State level tournaments during this academic year. Our College teams secured Winners in 3 Games, Runners in 5 Games and Third place in two games in Krishna University Inter Collegiate tournaments during the year 2019-20. In addition to this, our students secured 26 medals in Weightlifting, Aquatics and Athletic Individual events.

To,
The Secretary,
Siddhartha Academy of General & Technical Education,
Vijayawada-520010.

Sir,

**Sub: P.B.Siddhartha College of Arts & Science-Admissions-Fee exemption
and Renewal for Meritorious Sportsmen for the Year 2021-2022-Request-Reg.**

'Sports' not only teaches the students to maintain Physical Stamina, but also the habit of obedience, discipline, the determination to win, Willpower etc. Therefore Sports Education along with the Academics spins the all-round development of the student With a view to fulfil this great Objective, Our College Management has been providing good sports infrastructure, play facilities and encouraging meritorious sportsmen with sports scholarships every year.

Sports and Sportsmen bring name and fame to the institution. The Department of Physical Education has been striving hard to keep the image of the sports in our college since inception. Six years back our Department has introduced the Diploma Course in Yoga Education (DYEd) as a regular course with prior permission from the Management. This course is running very successfully. We have very good history in sports organization and achievements. So far a good number of sportsmen represented at National and International level from our College and brought laurels to our Institution. To continue this image and popularity, We Wish to place before you a proposal to admit the meritorious Sportsmen, Who are excelling at national and international level, with total College fee exemption, providing sports kit, accommodation and Boarding facility at free of cost, if possible.

Achievements: AIU did not conduct any games and sports due to corona during the year 2020-2021. Because of the unstinted support & encouragement from the Management, last year **6 students** represented Nationals and secured medals in various Games & Sports. **6 Students** participated and secured Medals at State levels tournaments during this academic year.

OC. No. 2788/2022

Date : 09.09.2022

To
The Principal,
Parvathaneni Brahmayya Siddhartha
College of Arts & Science,
Vijayawada.

Sir,

Sub: Procurement of Archery equipment for the College – permission
accorded – reg.

Ref: Your letter No.215/PBSC/2022-2023 dt.07.07.2022

The Management is glad to know that Mr.K.Venkatadri, student of II B.Com has been doing good in archery and had already represented both the State and Country in the Tournaments.

It is noted that Mr.Venkatadri studied +2 in KCP Siddhartha Adarsh Residential Public School and was helped then for studies as he was already participating in International matches. Subsequently, it is noted that he joined B.Com. in this College and is now in 2nd year of study. In his representation, the father of Mr.Venkatadri requested the Management for financial assistance to procure Archery set for his son required for participation in National and International Tournaments as it is not in his reach. The Principal, while forwarding the representation stated that in the years 2013,2014 and 2018 (while in School) he participated in International Tournaments and in the last two years he participated in some important National level championship competitions and scored good ranks including in All India Inter University Archery competitions held in February, 2022. The Principal recommended for financial assistance to Mr.Venkatadri. He enclosed a quotation from a Punjab firm quoting for Bow and Arrowshafts costing about Rs.1,79,000/-

The Management, having given due consideration to the above, has decided to purchase the Archery equipment for the College and permit its use by Mr.K.Venkatadri as long as he continues to be a student of this institution. The cost of the equipment may be paid from out of funds of the institution with entry in appropriate records. The Principal is requested to proceed further in the matter.

Thanking you,

Yours cordially,

SECRETARY
