

LITERACY CLUB

'A word a day' 'Usage a day' programme is designed to make all the students learn new words in English. As it is said that 'knowing about the thing is not important but how to make use of it is important' 'A word a day' will be supplemented by an extra information of its usage. A new word will be picked up and written on the blackboard with the meaning and the model sentence for the convenient learning of the students. Daily written words will be recorded in the register with the student's signature for further reference.

Requirements:

- Black board with stand
- Duster and marker
- Place near the library to display words
- Two Books
 1. ruled note book
 2. hard bound note book
- Place inside the library to keep the board after use.

Objectives:

- To make the students familiar with the new vocabulary.
- To create awareness among the students regarding the usage of newly learned word.
- To make students confident and comfortable while they communicate in English.
- To eradicate any fear lingering in one's mind regarding proficiency in English language.
