Mr.
Secretary
P.B Siddhartha College of Arts & Science
Vijayawada

Date:

Letter of Acceptance

P.B. Siddhartha College and TSPL are in principle agreeing to the below mentioned framework for cementing their association.

Tally - The Company

Tally started operations in the year 1986. A pioneering company, Tally was the first to introduce codeless software, a natural language interface greatly enhancing the user experience. Its services continue to transform the ownership experience. Today, Tally remains the preferred 'Accounting-to-ERP' business management solution having 90% market share. There are 20 lakh users in 94 countries, creating a huge demand for Tally trained professionals.

Tally Education Initiatives

Tally is committed to working with educators, educational organizations and industry partners to expand the world of learning through technology. Our Education programs are designed to facilitate learning in a seamless manner which is relevant and demand driven. Because of the industry demand most of the academic institutions have partnered with us to enable the student and make him job ready.

Presence:

Some of the Universities who have incorporated Tally as part of official curriculum are:

- Delhi University
- Bangalore University
- Rajiv Gandhi University
- Swami Ramanand Teerth Marathawada University
- Himachal Pradesh University
- Osmania University
- Directorate of Technical Education, Karnataka
- Tamil Nadu Open University (TNOU)

Tally and P.B.Siddhartha College

We share the common vision of empowering the students by imparting industry relevant skill sets and increasing their employability. The challenge for any academic institution remains how to make their students "job ready" on graduation. To address this issue Tally has come up with a unique proposition wherein we train the students at the college premises, thereby making quality training available without any intervention, at your place at your pace. The training is also subsidized to make it more inclusive to the mainstream education.

Role of Tally Solutions Pvt. Ltd. (TSPL)

1. TSPL shall offer its specialized program in the campus.
2. TSPL shall provide Tally competent faculty
3. TSPL shall provide authorized courseware + Tally Student Subscription
4. TSPL shall decide the programme schedule and other aspects of the programme in consultation with the college.
5. TSPL shall issue participation certificates to those who have successfully completed the training programme

TSPL will commence the program only after receiving the payment of the fees for all the students. College shall co-operate with TSPL for smooth conduct of the program within the allotted time without allowing any disruption by the students or any other party. TSPL shall endeavor to conduct courses within the agreed period and duration

Role of College:

1. College shall extend all support to TSPL for successful delivery of the program.
2. College shall remit the fees to TSPL before the start of the program.
3. College shall follow the guidelines and procedures advised by TSPL for running the program/courses and set satisfactory standards relating to registration of participants, course administration and evaluation necessary for good governance.
4. College shall provide all infrastructure including Computers, Electronic Teaching Aids and class room complete with facilities for lectures and practical demonstration.

Commercials:
